Jean Mawhin is 70

On the 11th of December 2012, Jean Mawhin, a mathematiciam of world-wide reputation and a great old friend of Romanian mathematics and mathematicians, will turn 70 years old. To honour him on this occasion, the Editorial Board has decided to dedicate to him one issue of our journal. We would like to thank all of those who have contributed to the realization of this special issue. Beyond their intrinsic scientific interest, these articles testify to their authors friendship, admiration and gratitude for Jean Mawhin the man, the professor and the researcher.
